Open Data: A struggle for everyone involved

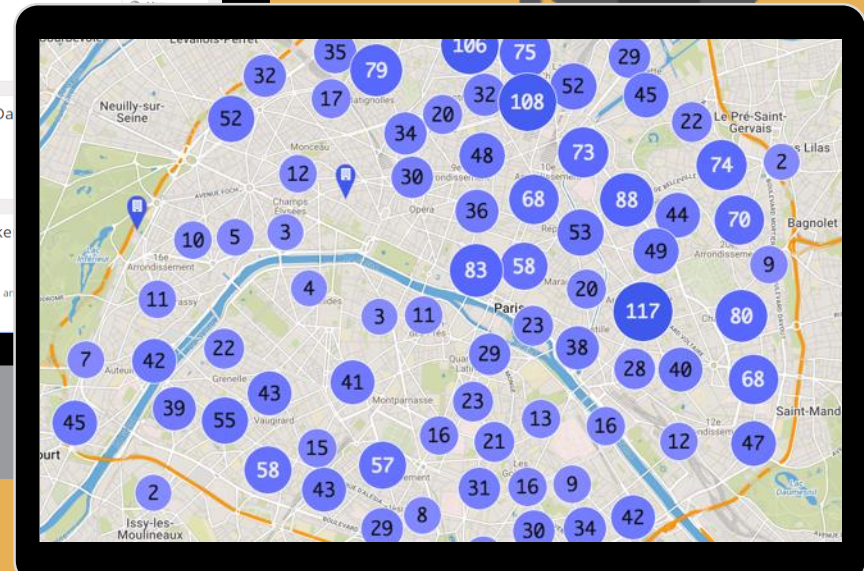

Publish, explore and share your data

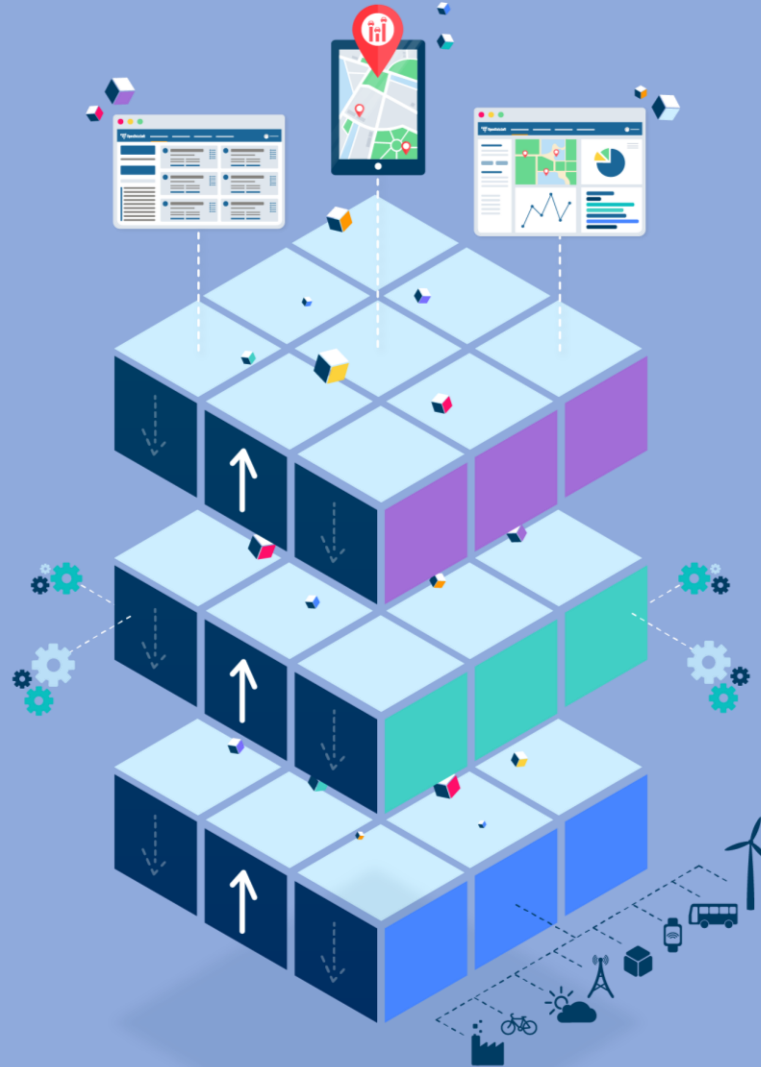

BUILT FOR NON-TECHIES

A screenshot of the Open Data City and County of Durham website. The page features a navigation bar with links for Catalog, Dashboards, Maps, Developers, Resources, Suggest a Dataset, and About Us. Below the navigation, there are several dataset cards, each with a title, a brief description, and a list of actions (Table, Map, Analyze, Export, API). The datasets include: City of Durham Police Crime Reports, Police Districts, Police Beats, Police Stations, Durham Police Department Crime 2014, North Carolina Bicycle Crash Data, and Police Initial Purpose of Traffic Stop by Driver's Sex, Race, and Ethnicity. A sidebar on the left contains filters for View, Modified, Publisher, and Keyword.
